

Innovations and other activities at JSS AHER
during the COVID-19 pandemic

Continuation of the ACPE Accreditation (2020-26)

ACPE granted Certification Status to the Pharm.D program offered by the JSS Academy of Higher Education & Research at Colleges of Pharmacy, Mysuru & Ooty, and it was valid until 30th June 2020.

As the Colleges of Pharmacy are due for next cycle of ACPE certification, a Self-Study report (SSR) was submitted on 31st December 2019.

On-site Evaluation for second cycle of ACPE certification of Pharm.D program offered by the JSS Academy of Higher Education & Research at Colleges of Pharmacy, Mysuru & Ooty was held from 1st to 5th March 2020.

A three members delegation of ACPE team (Dr. Robert Beardsley, USA, Dr. Jodie Malhotra, USA and Dr. Karim El-zu'bi, Jordan) visited Colleges of Pharmacy between 1st & 5th March 2020.

 Dr. Kumar Angadi 
 Dr. Avinash Sinha 

Dr. Hemant M. 
 Dr. Shridhar S. 
 Dr. Chinmay M. Desai 

Ms Sakshi, our 1st year MBBS student has won 3rd position in online poetry organised by National Medicos Organisation South Zone. The topic was on “Lockdown and Mental Health”

Mr Kaustubh Gaur, our 1st year MBBS student has won 3rd position in online writing competition organised by National Medicos Organisation South Zone. The topic was on “Lockdown and mental health”

Mr.Kaustubh Gaur: It was a purely online competition for assessing writing skills of students. There were 3 topics to choose from which were all based on scenes under lockdown. I wrote on *Lockdown and mental health*. It was conducted BY NMO ANDHRA PRADESH and I secured the 3rd position representing JSS MEDICAL COLLEGE. E certificates and cash prizes to the winners were announced.

Ms. Sakshi Anurika: When the world is hit by Pandemic and we are all locked down in our homes, NMO ANDHRA PRADESH made sure that we medicos continue to get a platform to showcase our talent. It was a poetry competition organized by the organization and there were two topics- ‘Corona’ and ‘Lockdown’.

I wrote a poem on Lockdown and secured third position representing JSS Medical College. The results were announced and E certificates were given. I feel glad to be a part of this competition and looking forward to many more such events.

Webinars and conferences attended

JSSMC

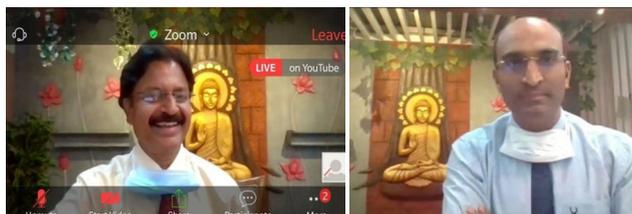

Institutional/ Regional/State	National	International	Total
19	28	12	59

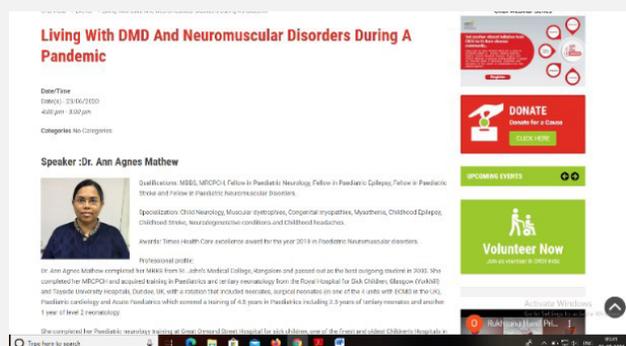

Dr Vidya CS Professor of Anatomy delivered a talk on preparation of Accreditation and NIRF ranking for 2021 at SIMS Bangalore on 20.6.20 Dr Jayanthi Ashok Principal, Dr Venkatesh Medical Superintendent and Dr Ashakiranco ordained the programme.

Wishing all the doctor's a very

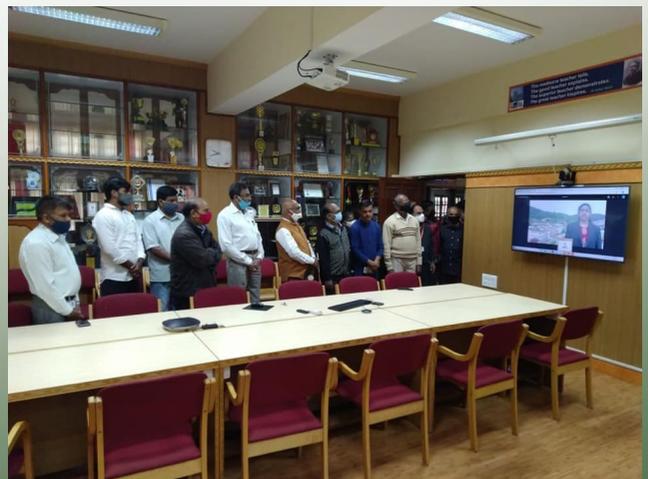

Happy Doctor's day

JSS Academy of Higher Education & Research thanks all the doctors for the dedicated service rendered.

JSS Medical College, Mysuru celebrated the Independence day with a difference. They invited young alumni Dr Preethi Prakash Prabhu as the guest for the Independence Day. Though we missed the fanfare but the passion fervor was seen all through. Dr H Basavannagowdappa, Principal and Dean, JSS Medical College, Mysuru, the most respected teacher among the Students and most popular physician of the city did the honours and made the celebrations memorable.

JSS College of Pharmacy, Ooty that always does its program in a grand manner, celebrated the Independence Day on 15th August 2020 by remaining connected with all its students on the Digital mode and still make them feel that they are on the campus for the celebrations. Congratulations Prof SP Dhanabal for always making students remain connected to the institution.

105th Jayanthi Celebrations

The beacon light of JSS institutions and its legacy in the 20th Century, who had sown the seeds of knowledge that the millennials are benefiting from now is Jagadguru Sri Dr Shivarathri Rajendra Mahaswami the 23rd Pontiff and spiritual head off Sri Suttur Math. The JSS Mahavidyapeetha, the universities, institutions, free hostels, hospitals etc, are all his gift to the humanity and symbolic of his selfless service to humanity. The JSSAHER and it's institutions during his 105th Jayanthi Celebrations express their gratitude and tribute to this visionary seer.

Then JSS Institutions have planned a day long digital program commemorating the 105th Jayanthi Celebrations of His Holiness Jagadguru Sri Shivarathri Rajendra Mahaswami on the 29th August, 2020.

105th Jayanthi Celebrations of
Srimanmaharaja Rajaguruthilaka

His Holiness Jagadguru
Dr. Sri Shivarathri Rajendra Mahaswami

His Holiness Jagadguru Dr. Sri Shivarathri Rajendra Mahaswami, the 23rd Pontiff of Sri Jagadguru Veerasimhasana Mahasamsthana Math, known as Sri Suttur Math, inherited the legacy of the 10th century old Srenath at an early age. He was born in 1916 and ascended the Peetha in 1928 when he was hardly twelve. He shouldered the responsibilities, with his senior, Jagadguru Manjira Maharishi Sri Shivarathreeswara Mahaswami. Ever since he assumed the responsibilities of Math, every step he took forward was in search of new areas of service.

The burning desire to assuage the educational needs of thousands of poor children, he started the first free hostel at Mysore in 1941. Thus, began his journey of socio-economic transformation of the region, with the establishment of Sanskrit Pathshalas, Schools, Colleges and other social and cultural organizations in and around Mysore. A single-minded dedication to a task aimed at the welfare of all alone guided him to judge a path of sacrifice. The incredible divine grace coupled with his intense and sustained efforts to provide education for all, resulted in establishment of free schools and hostels, professional colleges, centres of art, music, and literature etc. He established the Jagadguru Sri Shivarathreeswara Mahavidyapeetha in 1954 to ensure that the efforts of the Sri Math in the field of education and social transformation can progress with more rigour. Under the untiring efforts of Dr. Sri Shivarathri Rajendra Mahaswami, the JSS Mahavidyapeetha witnessed enormous growth in all the fields and levels of education. Millions of children, men, women and physically challenged found solace under his boundless compassion.

After the earthly departure of His Holiness Swami, he attained heavenly abode on 6th December 1986, and his indomitable spirit lingers over the 200 institutions across the continents. The centenary birth anniversary of Jagadguru Dr. Shivarathri Rajendra Mahaswami was celebrated in 2019 by the devotees all over the world as a token of expressing the respect and gratitude to the ever-living spirit of this Noble Saint and by following his principle of 'work worship'.

The year 2020 that witnessed devastating effects across the globe, once again saw the JSS Mahavidyapeetha and the Sri Math continuing to support the needy and those in despair by providing them shelter, healthcare, education, and food. Thus the saga of Sri Suttur Math continues and the 105th Jayanthi Celebrations of this Noble Saint and visionary is being celebrated on 29th August. This year and the various activities are planned, through a virtual platform to commemorate his great contribution to humanity.

International Yoga Day 2020

Yoga with Family

JSSMC

The volunteers of NSS unit of JSS Medical College, constituent college of JSSAHER participated in the 'Yoga with family' activity on the occasion of International Yoga Day on 21st June, 2020. The International Day of Yoga has been celebrated annually on 21st June since 2015, following its inception in the United Nations General Assembly in 2014. Despite being times of the quarantine the volunteers celebrated the true spirit of Yoga by joining hands with their loved ones at home. The volunteers performed various Yoga Asanas from 7 AM to 9 AM in the morning. They had a wonderful and refreshing experience of togetherness and peace through Yoga, the amalgamation of the fitness of the mind, body and soul.

JSS Academy of Higher Education & Research
(Deemed to be University)

JSS Dental College and Hospital
National Service Scheme
INTERNATIONAL YOGA DAY

Online Yoga session with Dr.Sinchana

(Certified Yoga instructor, alumni of
JSS Dental College & Hospital)

Date: 21/06/2020

Time: 10:00 AM

Instructions for participants

Please keep yoga mat ready
Be on empty stomach

The NSS Unit of JSS Dental College and Hospital celebrated International Yoga Day by organising online Yoga session for the students and faculty of the college.

Dr.Sinchana V, a certified yoga teacher and alumni of JSS Dental College conducted the online yoga session, many students and their parents participated in the online yoga session from their home.

“Mask Day”

As directed by the Karnataka State Government to observe June 18, 2020 as “Mask Day” in order to create awareness among the public on the importance of using face masks, JSS College of Pharmacy, Mysuru in association with NSS Unit of the college took out Jatha in the college premises keeping in mind the COVID guidelines.

Dr. T.M. Pramod Kumar, Principal, JSSCPM along with all the teaching and non-teaching staff wore mask and took part in the awareness jatha on using masks. Dr. T.M. Pramod Kumar emphasized on the importance of wearing mask to prevent coronavirus spread. It is a routine practice in the college premises to wear masks, use of sanitizers and maintaining social distance.

International Yoga Day

JSS Academy of Higher Education & Research in association with Department of Yoga celebrated “INTERNATIONAL YOGA DAY” with the theme “YOGA AT HOME & YOGA WITH FAMILY” by organizing online on Sunday 21st June 2020.

Dr. M.U. Sujan, Asst. Professor, Department of Yoga demonstrated and taught various asanas of Yoga. More than 250 participants registered and attended the session through online and about 20 staff from JSSCPM participated in the event.

Dr. B. Manjunatha, Registrar, JSS AHER, Dr. P.A. Kushalappa, Director- Academics, JSS AHER, Dr. T.M. Pramod Kumar, Principal, JSSCPM and other dignitaries, teaching and non-teaching staff & students participated in the session.

In the current troubled times, the highest service that we can do for our community is to bring everyone together in unity and solidarity, to face the existential challenge posed by COVID. What better opportunity than the International Day of Yoga to send out the clarion call for Unity to humanity at large? Compassion is one of the root principles of Yoga. It is compassion that unites us. Compassion is contagious and transmits faster than any virus – making us stronger.

World Environment Day 2020

JSSCPM

On 5th June 2020 World Environment Day was celebrated by planting sapling by Registrar, Director (Academic), JSSAHER, Mysuru and Principal, JSS College of Pharmacy, Mysuru.

International Yoga Day -21st june 2020

JSSCPO

The volunteers of NSS unit of JSS Medical College, constituent college of JSSAHER participated in the 'Yoga with family' activity on the occasion of International Yoga Day on 21st June, 2020. The International Day of Yoga has been celebrated annually on 21st June since 2015, following its inception in the United Nations General Assembly in 2014. Despite being times of the quarantine the volunteers celebrated the true spirit of Yoga by joining hands with their loved ones at home. The volunteers performed various Yoga Asanas from 7 AM to 9 AM in the morning. They had a wonderful and refreshing experience of togetherness and peace through Yoga, the amalgamation of the fitness of the mind, body and soul.

Yoga sessions conducted by Mr. Sujan and Exercises performed by Teaching and Non-teaching staff with their family

- Nutrition awareness programmes were conducted in Anganwadi centers, primary health care centers and school.
- As a part of National "Breast feeding week" celebrations lecture series was organized by Department of Women & Child Welfare department in collaboration with Indian dietetic Association from 3rd August to 14th August, during which
- Dr Vanitha Reddy,
- Dr Sudha Sairam and
- Dr. Sushma B.V. of Department of

Nutrition & Dietetics-FLS

- have educated Anganwadi workers on "Immunity boosters for pregnant and lactating mothers during Covid pandemic. The programme specially created awareness with respect to nutrients which could boost immunity towards the special groups at the pandemic situation. Anganwadi workers and supervisors were the beneficiaries of this talk.
- Dr Sushma BV Developed leaflet, cover page which was given to beneficiaries is given below.

JSSDCH

Yoga Day

The NSS Unit of JSS Dental College and Hospital celebrated International Yoga Day by organizing online Yoga session for the students and faculty of the college. Dr. Sinchana V, a certified yoga teacher and alumni of JSS Dental College conducted the online yoga session, many students and their parents participated in the online yoga session from their home. There was also yoga posture competition held for faculty members wherein the faculty were asked to send best picture of their yoga posture. There were 15 faculty who participated in the competition and the best yoga posture picture was judged by Mr. Raghu ND, a yoga teacher from Yoga Aaradhana, Mysuru. The faculty who won prizes are Dr. Usha Hegde – 1st Prize, Dr. Premalatha – 2nd Prize, Dr. Sanjay CJ – 3rd Prize.

Ph.D Awardees list

Sl. No	Name of the Candidate	Guide	Faculty	Title	Date of Awarded
1.	Mr. B Venugopal Reddy	Dr. MVSSST SubbaRao	Life Sciences	“Assessing the role of NRF2 in breast cancers”.	19-May-20
2.	Ms. Anjali Raj	Dr. S N Manjula	Pharmacy	“Evaluation of Donepezil-aroma combination for mitigating dementia in amyloid beta (1-42) induced mice model for Alzheimer’s disease”	13-Jun-20
3.	Mr. Kaushik D	Dr. T M Pramod Kumar	Pharmacy	“Regulatory challenges in approval of medical devices in ICH and selected countries, for better regulatory delivery”	13-Jun-20
4.	Ms. Roopa B S	Dr. S Ponnusankar	Pharmacy	“A Study to assess the effect of vitamin D ₃ supplementation on iron status among the iron and 25(OH) D deficient pregnant women: A randomized placebo controlled study”	23-Jun-20
5.	Ms. Pooja P B	Dr. Tejashree A	Biomedical Sciences	“Comparison of serology and molecular methods for the diagnosis of community acquired mycoplasma pneumonia”.	23-Jun-20
6.	Ms. Gifty M Jojo	Dr. Gowthamarajan K	Pharmacy	“Repurposing of pioglitazone loaded nanolipid carriers for targeting the brain insulin signaling via the intranasal route in the management of Alzheimer’s disease”.	25-Jun-20
7.	Ms. Narahari Rishitha	Dr. A Muthuraman	Pharmacy	“Therapeutic investigation of flavonoids and saponins on experimental models of vascular dementia”.	02-Jul-20
8.	Mr. Maruthi R	Dr. Chandan R S	Pharmacy	“Analytical method development, validation and impurity profiling of antidiabetic class of drugs”.	14-Jul-20
9.	Ms. Aakanksha Sharma	Dr. G Parthasarathi	Pharmacy	“Assessment of economic, humanistic and safety outcomes in patients receiving different anticancer regimens for breast, head & neck and lungs cancers”.	23-Jul-20
10.	Ms. Nagashree K S	Dr. Praveen T K	Pharmacy	“Design, synthesis & biological evaluation of novel PPAR- γ modulators as antidiabetic agents”.	23-Jul-20

11.	Ms. Chipurupalli Sandhya	Dr. K Elango	Pharmacy	“Targeting hypoxia induced ER stress response to prevent cancer progression”.	24-Jul-20
12.	Mr. Vedpal	Dr. S P Dhanbal	Pharmacy	“Bioassay guided fractionation to identify 5- lipoxygenase inhibitors/leukotriene receptor antagonists from Desmodium species for the anti-asthmatic potential”.	24-Jul-20
13.	Mr. Shaivad Shabee Hulhasan Abadi	Dr. Gangadharappa H V	Pharmacy	“Formulation and evaluation of polysaccharide based particulate drug delivery system for the treatment of arthritis”	29-Jul-20
14.	Dr. Nagabhushana D	Dr. B M Balaraj	Dentistry	“Estimation of age among Mysore population using demirjian’s technique on right lower mandibular teeth”	12-Aug-20
15.	Ms. Nethravathi P	Dr. R Sureshkumar	Pharmacy	“Artesunate and adjuvant loaded lipid based nanoemulsion as a combined therapy to improve efficacy in resistance: Formulation approach in the treatment of malaria”.	12-Aug-20
16.	Ms. M Jhansi Lakshmi	Dr. MVSSST SubbaRao	Life Sciences	“Evaluation of FVlla-EPCR interactions in the management of hemophilic arthropathy”.	12-Aug-20
17.	Mr. Menge Denis Mingate	Dr. P R Anand Vijaya Kumar	Pharmacy	“Association of high-density lipoproteins and onset of mild cognitive impairment in the south Indian population”	20-Aug-20
18.	Mr. Narayanankutty Nair P N	Dr. P R Anand Vijaya Kumar	Pharmacy	“Cognitive performance in southern Indian rural & urban population with type-2 diabetes: A cross sectional study”	20-Aug-20
19.	Ms. Jenifer Ashwini S	Dr. S N Meyyanathan	Pharmacy	“Development and validation of chiral separation of enantiomeric drugs by HPLC and LC-MS methods”.	20-Aug-20
20.	Ms. Sonam Patel	Dr. Krishna Veni N	Pharmacy	“Isolation, characterization and genotoxicity evaluation of the degraded products from antiretroviral agents”.	26-08-2020

21.	Mr. Abhishek B V	Dr. T M Pramod Kumar	Pharmacy	“Navigation of key regulatory information for efficient life-cycle management of regulated products & applications in regulated & ROW countries”.	26-Aug-20
22.	Dr. Rekha T S	Dr. Jayashree K	Medicine	“Potential of angiogenic markers in neoplastic lesions of breast for early diagnosis and targeted therapy”.	28-Aug-20

Mysuru's first COVID-19 private testing lab at JSS

The Coronavirus Pandemic has triggered great deal of science happenings globally.

The JSS Academy of Higher education and Research, Mysuru, the health sciences focussed deemed university, that was recently ranked 20th in the world and 1st in India by Times Higher Education in their impact rankings for SDG 3 – Good Health and wellbeing had strategized its efforts to support the global initiative for research to prevent the spread and impact of Coronavirus pandemic in three ways 1. Technological advancements that can support / decrease the risk to life for patients and health workers; 2. Discovery of new drugs and 3. Modelling studies that can support and predict the progress of the pandemic.

In the initiative relating to the technological advancements that can support / decrease risk to COVID infection and that will even be valuable even in post pandemic quality of life changes has developed five technologies / products that will indigenously support and make available low cost interventions / applications and be valuable to humanity. These are:

1. Isolation – ICU on wheels – an application that will enable the mobilising of the isolation and ICU facility to remotest site of disaster and support the golden hour of treatment in any given situation be it pandemics or disasters. With increased hospitalisation costs, isolation and intensive care may become available at homes with this new advancement.
2. The Low-cost ventilator – This Low cost ventilator is portable, has a disposable ambu- bag and adjustable respiratory rate, and adjustable tidal volume and provides positive end expiratory pressure (PEEP) which is not found in other low cost ventilators.
3. Denti Safe – an application that will ensure the practice of dentistry safe for both patients and dentists. The Denti Safe application is scientifically developed mobile device that can sterilise dental chairs and treatment areas in less than 20 minutes using a non-chemical intervention and relies on the specific wavelength of UV light that ensures the safety. The application is movable and can be used in multiple locations in a large dental hospital and will ensure the safety of patient and the dentist.
4. Multi-Mode Air Sanitiser – This Multimode air sanitiser has a three-step sanitisation process, UV treatment at a specific wavelength to kill the virus,

Ionisation that kills all microbes including virus and lastly a HEPA filter that reduces the particulate matter in the air.

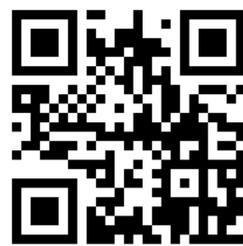

5. Hand held UV Surface sanitiser – This lithium ion battery operated device is a handy surface sanitiser that can be charged by a mobile charger uses UV radiation for sanitising small surfaces that are frequently used by others for example lift buttons, Key boards, Operating instruments etc. This personalised sanitiser can be carried by individuals in their pockets with ease. This will give the comfort of personal safety to individuals while using public places.

These technologies that support the patient and healthcare provider safety and well-being will be valuable even beyond the pandemic and in peaceful times. JSSAHER will continue to work on these technologies and make them more cost effective, robust, and highly efficient. JSSAHER will continue to endeavour its research initiatives that are impactful to the society and benefit humanity.

These projects were fully funded by the Research Development Fund of JSS Academy of Higher Education and Research, Mysuru and powered by Sparkle CINE the innovation arm of JSSAHER.

Role of Yoga in enhancing immunity during tough COVID times

Mysuru, May 26- Stress is a constant factor in today's fast-paced life that can jeopardise our health if left unchecked. These are the times of the pandemic of Novel Coronavirus or COVID-19 which has forced mankind to live in fear, anxiety causing depression. The problem caused by the pandemic has to be faced. Yoga, which is an ancient Indian Science, will help to modulate and maintain our immune system which in turn will help to deal with the complications of Coronavirus. Strengthening our immune system and following rules and regulations laid down by our Government is the only way to fight this pandemic as

JSS Academy of Higher Education and Research to offer Certificate Programmes, B.Sc. and M.Sc. in Yoga
of now. Research indicates that stress can even contribute to the development of major illnesses such as heart disease, diabetes, depression and obesity or exacerbate existing health issues. There is mounting evidence that a stressful life influences a variety of physical health problems later in life which may have long-term consequences for immune dysregulation. The influence of Yoga on stress reduction and its benefits on mental health has boosted its demand in recent years. JSS Academy of Higher Education and Research (formerly JSS University), Mysuru, is implementing Yoga in its curriculum by starting Department of Yoga from the academic year 2020-2021 which will offer Certificate Programmes, B.Sc., and M.Sc., in Yoga programmes (UGC approved). For details log on to JSS AHER website or contact Dr. M.U. Sujan, Assistant Professor on Mob: 82174-86331 or email: sujannmu@jssuni.edu.in and Abhinav on Mob: 9980841859, according to a press release.

JSSAHER has used the dullness normally seen across different sectors pandemic situation differently by planning and developing new programs to be launched by it in the coming week. Here is a preview of what is to come!

JSS AHER NEWSLETTER

A group of people, including students and faculty, standing in a laboratory or classroom setting, possibly during a presentation or discussion.

JSS College of Pharmacy, Ooty recently published a research article in "Frontiers in Oncology" (IF: 4.2). In this paper, the authors have shown that activating STING using a newly identified drug can cause death of melanoma cells and can be a potential alternative to treat skin cancers resistant to the currently used BRAF inhibitors. This work is a result of Ms Sandhya Chipurupalli, Research scholar, JSSCP ooty during her short-term research visit to Dr Nirmal Robinson's Cellular-Stress and Immune response lab at Center for Cancer Biology, Univ. of South Australia, Adelaide, South Australia/Adjunct faculty JSS AHER and an ongoing Indo-Australian cooperation established by JSS CP, Ooty. Of note, this is second high impact publication outcome from the partnership. Dr Nirmal Robinson too is a proud alumnus of JSSCP Ooty. Congratulations to Authors and the team. JSSAHER is proud of your work.

LIVE WEBINAR ON
Recent Advances in Drug Design: State of the Art Tools for Drug Design and Drug Discovery
19 JUNE 2020 | 10.00 AM - 4.30 PM

Organized by
Pharmacy Education Unit
&
Dept. of Pharmaceutical Chemistry
JSS College of Pharmacy, Ooty
In Association with
Schrodinger, Bangalore, India

JSS College of Pharmacy, Ooty in one of the pioneering research institutions in the country imparting quality pharmaceutical education at graduate, post graduate and doctorate levels. The college is affiliated to JSS Academy of Higher Education & Research, Mysuru, which is accredited "A" Grade by NAAC. The college is certified by the ISO,9001:2015. Our broad research areas are Drug delivery, Green chemistry, Drug design and Discovery, Impurity profiling, Preclinical studies, Neuropharmacology, Medicinal plants research, Community and Clinical pharmacy research etc. We have good number of research funding from Government agencies like DST, DBT, ICMR, CSIR, AYUSH, AICTE and DRDO and research publications in peer reviewed journals.

The one day Webinar is designed with the help of senior scientists from Schrodinger LLC, Bengaluru to provide deep-insight to various tools involved in drug design and drug discovery.

Who can Attend
Academicians / Industrialists / Research Scholars and students of any health professions.

Benefits
e-certificate signed by the organizers will be issued to all the registered participants.

Resource Persons From Schrodinger		
10.00 AM - 11.00 AM	Recent Advance in Drug Design	Dr. Pritesh Bhat
11.30 AM - 12.30 PM	Molecular Dynamics Simulation: Applications in Drug Discovery	Dr. Prajwal Nandekar
2.00 PM - 3.00 PM	Advanced Drug Design Tools - Water/Map, FEP+ And Machine Learning Tools	Dr. Pritesh Bhat
3.30 PM - 4.30 PM	Ligand Based Drug Design Approaches - Pharmacophore, 3D-QSAR, AutoQSAR	Mr. Vinod Devarajji

JSS College of Pharmacy, ooty always likes to one step forward! A feast learning for those who are into Drug Design and Discovery

Inauguration of

Master's Degree in Sports Nutrition and Management at JSS

Mysuru, July 19- Nutrition is the cornerstone for a good physical and mental health and general well-being. In recent times, the subject of Nutrition and Dietetics seems to have caught the attention of students and public alike.

Sports Nutrition is yet another transdisciplinary subject which is focused on increasing awareness among health conscious and sports persons. In India, there is a huge gap between the need for sports Dietitian / Nutritionist and availability of one. This opens a great opportunity for students who are passionate in making their career in the field of Sports Nutrition.

Keeping in mind the ever-growing need of Sports Nutritionist in India and abroad, JSS Academy of Higher Education and Research, Mysuru, is start-

ing a two-year Master's Degree programme in Sports Nutrition and Management from this academic year (September 2020-2021). The course will cover subjects like Sports Physiology, Sports Specific Diets, Nutritional Biochemistry, Human Nutrition, Basic Management subjects, among others.

With the knowledge that physical activity promotes good health and disease-free longevity and sports becoming a lucrative career choice, this course will benefit students who want to make a career as Sports Dietitian/ Nutritionist.

For information on the course, contact Dr. Vanitha Reddy on Mob: 95904-81932 or Dr. Shwetha on Mob: 78290-39578 or JSS AHER on Ph: 0821-2548400, according to a press release.

Departments of Pharmaceutics, Pharmaceutical Biotechnology and Pharmacy Practice have actively participated in the preparation of hand rub 'Go-Co' alcohol based sanitizer and made available for the campus usage. On special request from Government Medical College Hospital, Ooty and Cosmic Ray ResearchLab, 350 liters of the handrub was prepared, quality tested and supplied to the concerned. This was carried out under the expertise of Dr. Ashish Wadhvani, Dr.Karri VVS Narayana Reddy and Dr. S. Ponnusankar, faculty members of our institution.

JSSMC

INAUGURATION OF ANATOMY MUSEUM - 28-07-2020

With the blessings of Jagdguru Sri Shivarathreeshwara Deshikendra Mahaswamiji, the inaugural function of renovated Anatomy museum was held on 28th July 2020 at 10 am in JSS Medical College premises.

The program was graced by chief guest Sri SP Manjunath sir, Secretary JSS Mahavidyapeetha. Also Dr.CG Betsurmth, Executive secretary,

JSS Mahavidyapeetha, Dr. Surindher Singh Vice-Chancellor, JSSAHER, Dr Kushalappa, Director Academics, JSSAHER, Principal H BasavanaGowdappa, Vice Principals Dr.Suma MN &Dr.GV Manjunath and Administrative officer Mr Sathish Chandra adorned the beautifully well illuminated museum.

The guests gave a splendid initiation to HIDI, a mobile application for medical students in learning histology and Bar codes which provide the detailed information about the specimens, audible through headphones with videos.

Inaugurating the "Anatomy Museum- A Sanctum of Dead Teaching the Living" by dignitaries Lighting the lamp and initiating the Histology App and Bar Coding system for Museum Specimens.

Museum has a wide collection of specimen which includes dissected human parts, foetuses showing different stages of development & rare congenital anomaly specimen, embryology models & charts. The museum has Plastinated specimens, where they can touch the organs & study. Each specimen is displayed with relevant description & images. The museum is open to the public and students at free of cost. School and college children of Mysore district & other districts visit anatomy museum to learn about body parts. On an average of 20 schools & colleges (50-200 students/visit) visit the museum every year.

Museum started in the year 1984 in the heritage

building, then in 1986 shifted to new building under the leadership of Dr.Jayavelu. Initially started for MBBS students to learn anatomy later it was extended to other courses and to the public and school & college students. The specimens were dissected by the faculty and also were collected from pathology department and anomalous babies collected from JSS hospital and nearby nursing homes. Charts were prepared by Dr.Jayavelu, Dr.NMShamasundar and MrJambukeshav. Photography was taken and hand painted and laminated. Models were prepared by Mr RC Kumar & MrsMangalamma. Museum will be open to public as well as it will be utilised for Small group teaching for students.

JSSDCH

COVID – 19 Awareness Program

An awareness Program was organized for the administration staff of JSSDCH on 13-05-2020. The participants were given information regarding preventive measures for transmission of COVID - 19 in the campus and community.

Department of Oral Pathology & Microbiology organized an COVID 19 pandemic awareness program on July 3rd for non-teaching staff- house-keeping, ayahs, security and attenders of JSS Dental College & Hospital. The resource person was Mr. Bopanna Pattada, life skill & sports motivator from ARIVU School. The program started with an inaugural function followed by a very informative and interactive session by the resource person and the audience. Awareness videos regarding spread of COVID 19, symptoms, precautions to be taken, preventive measures were some of the topics covered.

Covid 19 precautions for Dental Treatments

JSSCPM

1. COVID precautions
 - In view of the spread of COVID-19 pandemic the entire campus was sanitized. Campus safety measures
2. Maintaining social distancing
 - Wearing of face mask
 - Hand sanitization
 - Regular sanitization of the campus

JSSCPO

safety measurement on COVID - 19

A meeting was convened by the Principal with Covid Monitoring Committee members to have their inputs regarding additional safety measures to be taken since it is an emerging alarm of pandemic situation.

- It was also decided to request the bank authorities to close the ATM located in staff quarters temporarily in this pandemic situation.
- CMC recommended to provide the Kabasurakudineer, an immunity boosting drink for all the staff members and students of the institution once in a week.
- It was informed by the principal to entertain the admission process through online mode in this pandemic and lockdown situation.
- Dr.Mohd. AfzalAzam, Vice-principal asked to fumigate completely all hostel and college premises using 1% sodium hypochlorite solution
- A touch free automatic sanitizer dispenser is been installed
- ATM facility has been suspended
- Subscription of news paper has been suspended as a safety measurements
- Civil work in the campus has been suspended until further notice

Touch free automatic sanitizer dispenser & ATM closed near to staff quarters

Newspapers suspended and Disinfectant spray on all vehicles entering the campus

JSSCP Ooty campus maintenance during lockdown

Administrative officer, Superintendent and office staffs were working and attending day to day activities and monitoring the cleanliness and maintenance.

Housekeeping staff and gardeners were attending duty on alternative days.

Administrative staff and Security during lockdown

Back to work

- After the lockdown period, the faculty members reported to duty. They were instructed to maintain social distance. Hand sanitizer was made available at the entrance of the campus.
- Reusable face mask were provided to faculties. Temperature was screened and recorded.
- A special meeting with the faculties on safety and precautionary measurements on COVID 19, has been convened by Dr Afzal Azam

Dr. Afzal Azam, Vice principal addressing faculty on the reporting day after lockdown period

JSS AHER

Health remains the prime concern worldwide and the best approach to connect to and extend health services during the present hour of health crisis is through technological innovations in medical field. JSS AHER attempts to bring together technology and healthcare by conceptualizing an interdisciplinary webinar platform of “Medical Mobile Application development” through its Virtual Academics Series.

At the end of the webinar, participants will be able to...

1. Understand the concepts of mobile app development with focus on Medical applications.
2. Designing an app for your needs of extending logistic health services.

The first online PhD Public Viva Voce Examination was conducted by JSS Academy of Higher Education & Research on the 11th May 2020. The candidate Mr. B Venugopal Reddy, who had carried out his work under the supervision of Dr. MVSST Subba Rao, Professor of Cellular and Molecular Biology, CEMR Laboratory, Department of Biochemistry, JSS Medical College, Mysuru defended his work entitled “Assessing the role of Nrf2 in breast cancers” using Zoom Webinar platform.

Examiners were Dr. Muralidhar Hegde, Associate Professor of Radiation Oncology, Academic Institute, Associate Member, Research Institute, Houston Methodist Weill Cornell Medical College, Houston, Texas, USA and Dr. BT Prabhakar, Molecular Biomedicine Laboratory, Post Graduate Department of Studies and Research in Biotechnology, Sahyadri Science College, Kuvempu University, Shimoga, Karnataka.

The interactive examination was well attended by 146 participants comprising of the research scholars, guides, members of faculty, deans and University Officials. The examiners and participants appreciated the work. In summary, the public viva was conducted successfully and the external examiners appreciated the efforts made by the JSS AHER team.

Dissecting PharmD Internship During COVID-19 Pandemic

Organized by
JSS Academy of Higher Education & Research, Mysuru
In Association with
Pharmacy Council of India, New Delhi

Date: 30th May 2020 **Time:** 10.00 AM – 01.30 PM

Objectives of the Webinar

- To pave the path for conducting PharmD internship during this COVID-19 pandemic
- To facilitate the faculty in engaging PharmD interns in experiential learning
- To create a ray of hope among PharmD internship students in India
- To bring out the PharmD graduates on time to support the healthcare system in India

Outcomes of the Webinar

- Enable the PharmD interns in the successful completion of internship on-time to deliver the patient care pharmacy services
- Enable the faculty to adopt innovative methods and tech-based approach in training PharmD interns

Who can Attend

PharmD Internship Students and Teachers/Academicians working in PCI approved Pharmacy Institutions

Benefits

e-Certificate signed by the President, PCI & Vice-Chancellor, JSS AHER will be issued to all the registered participants

Click the Link Below for Registration

https://us02web.zoom.us/join/register/WN_WC9BgV59T_mi73QI7FoLAQ

JSSAHER believes in sharing its best practices with other organisations and students so that the society as a large gets benefited from the same. Hearing that many friends the Pharm.D interns across the country are anxious to complete their internship that is disrupted due to COVID 19 pandemic the Department of Pharmacy Practice, JSS Colleges of Pharmacy at Mysuru and ooty have joined hands to organise a special program mainly for Pharm.D interns.

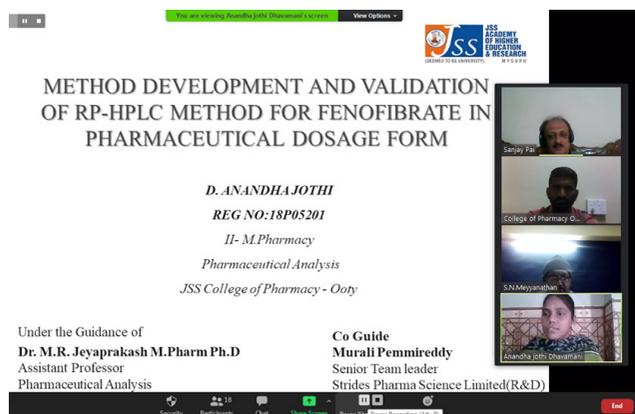

Thank you for your overwhelming response towards the webinar on ‘Dissecting PharmD Internship During COVID-19 Pandemic’ held on 30th May 2020. In case you missed it, here is the YouTube link to watch the talks delivered by the eminent speakers on various topics

<https://www.youtube.com/watch?v=yLg958qLZV8>

We profusely thank all the speakers for their time and enthusiastic presentations to enlighten the Staff and Students on how to go ahead with the PharmD internship during this COVID-19 Pandemic.

Thanks to the Pharmacy Council of India for partnering with JSS AHER in organizing this memorable webinar.

Looking forward to meeting you all with one more 'Need of the Hour' Webinar Soon... Stay Tuned

JSS AHER conducts MPharm Final Semester Examinations by online mode

The unprecedented situation caused by COVID-19, made it difficult to conduct the Final Semester M. Pharm dissertation viva voce examination by conventional mode.

However, this challenge was well accepted by JSS AHER and it came out with a strategy to conduct the examination through online mode. SOP in accordance with the guideline issued by Pharmacy Council of India was prepared and adopted.

The examination was conducted from 18th to 24th May 2020, using online platform. A total of 163 students of TEN different specializations from both Pharmacy Schools at Mysuru and Ooty appeared for the maiden online examination.

Eighteen subject experts from both pharma industry and premier academic institutions from 11 different states served as external examiners.

Though the examination was conducted by online mode, the sanctity of the process was never compromised; each of the examinee was thoroughly examined. The results of the examination were announced on 26th May 2020 - within a day of completion of examination.

Domain Enriching Webinar

Decoding the AI Healthcode: Are we future ready???

Organized by
JSS Academy of Higher Education & Research, Mysuru

Date 22nd June 2020 Time: 3:00 pm–5:30 PM

Objectives of the Webinar:

- To pave the path for understanding of AI in Healthcare
- To facilitate the engagement of faculty and students in AI related Healthcare Research and learning
- To facilitate the Engineering fraternity to understand AI needs in Healthcare
- To pave the path for Industry-Academy collaborations in the field of AI Healthcare Research

Outcomes of the Webinar:

- Enable Healthcare and engineering fraternity to understand the Opportunities & challenges of AI in Healthcare
- Enable faculty and students to adopt AI based research and bring Industry and Academia together to enable Translational Research

Who can Attend:

- Students and Faculty from all Healthcare & Engineering Universities
- Industry partners interested in Healthcare delivery by Artificial Intelligence

Benefits:

- Opportunity for collaborative Translational Research in Healthcare AI
- e-Certificate will be issued to all the registered participants

Collaboration with GMF-UK – another initiative towards ‘Learning never stops’ at JSS AHER

The Genomic Medicine Foundation UK (GMF-UK) and the JSS Academy of Higher Education & Research, Mysuru, Karnataka, India (JSS AHER-Mysuru) entered into a Memorandum of Understanding (MOU) on June 12, 2020. The Genomic Medicine Foundation is a non-profit organization providing up to date and evidence-based information on genetics/genomics relevant to clinical medicine and healthcare. The objectives of the MoU are to set-up joint education and training programs, to have student and faculty exchange programs, to formulate multi-centric collaborative research projects, and to advance the genetic clinical facility at JSS

Hospital, Mysuru. In this regards, Prof. Dhavendra Kumar, Medical Director/CEO from GMF-UK and Dr. Manjunatha B, the Registrar of JSS AHER signed the MoU in the presence of Dr. Surinder Singh, Vice-Chancellor, Dr. P.A. Kushalappa, Director (Academics), Dr. H. Basavanagowdappa, Dean, Faculty of Medicine, Dr. M.N. Suma, Dean, Faculty of Biomedical Sciences, Dr. Vishal Kumar Gupta, Dy. Director (Academics), Dr. Prashant Vishwanath & Dr. Akila Prashant, Professors, Department of Biochemistry & Department of Genetics, JSS AHER. This is one more initiative of JSS AHER towards moving forward by signing its first MoU through the virtual exchange of signed documents.
